SUMMARY OF INFORMATION

Target is currently in a large, extravagant, terraced house on a lush, green, steep slope. The owner is "landed gentry" and has "old" not "new" money. There is a small, poor town in the valley to the left of the house as one looks down at the town. There are cement block houses and shacks with corrugated tin roofs. The main road is paved. Several of the crossroads are dirt.

Target is not using an alias as it is not needed. He feels confident, relaxed and secure.

Location (strongest feel): vic of Puerto Ayacucho, Venezuela. (weaker feel): vic Boa Vista, Brazil.
